

Ohio Provider Resource Association

2022 SPRING CONFERENCE

MAY 5 - 6

GUESSING IS FUN.

**BUT NOT WHEN
IT COMES TO YOUR
MEDICATION.**

STOP THE GUESSWORK

If you've ever missed a medication, you're not alone. We connect patients with their circle of care, help them to take meds as prescribed with easy-to-use digital health tools, then go beyond adherence to make sure those meds are doing what they should. Medication is lifesaving. Stop the guesswork.

WELCOME MEMBERS!

On behalf of the Board of Directors and staff of the Ohio Provider Resource Association, we would like to welcome and thank you for attending OPRA's 2022 Spring Conference.

We are entering into an exciting and challenging time in our field. Partnerships and collaboration are going to be vital to our success. We are thankful for the collaborative partnerships with The Department of Developmental Disabilities, the Ohio Department of Medicaid, the Ohio Department of Health, Ohio's Legislature, County Boards of Developmental Disabilities, and many other system partners.

At OPRA, we provide a Community for our members and our team provides Advocacy, Information, and Resources. We are proud of our OPRA Community and proud to serve you. We celebrate the diversity of the services you provide as well as your contributions to our efforts to move our system forward in a positive direction.

As OPRA continues to navigate continued challenges pertaining to the workforce crisis and Covid 19, we are committed to supporting initiatives that give providers much needed relief and resources. We will also continue to strive to truly drive quality and promote excellence across the spectrum of services provided to people with disabilities in Ohio.

Your dedication to excellent services and the compassion you give to people with developmental disabilities and their families is what bonds us! We are proud to have you as a part of our OPRA Community!

Please be sure to visit our excellent vendors and if you have any questions, please ask the OPRA Staff. Enjoy the learning, the sharing, the support, and the fun!

Sincerely,

Peter Moore, OPRA President and CEO

The pharmacy
that cares for
you. So you can
care for them.

SAFEDOSE PHARMACY

At SafeDose, we appreciate the hard work and commitment it takes to care for people with IDD. It is our mission to provide caregivers like you with the assistance that allows you to focus on providing the highest quality of care for your clients.

For over 20 years SafeDose has provided best-in-class, accurate and easy-to-use medication management solutions for IDD professionals. During that time these strong working relationships have served our clients with:

Freedom from
the burden of
medication
coordination
and dispensing

Freedom
from the time
required for
prescription
procurement

Freedom
from anxiety
caused by
errors, missed
deliveries & poor
communication

This found freedom is what empowers our clients to be the best they can be. **They also love that we understand fully the unique challenges and needs of the IDD community** — an understanding that is complimented by supplying the best digital and automated fulfillment available. Not to mention our industry leading direct, timely, and transparent communications.

Our proven process marries state-of-the-art technology, with outstanding customer service to deliver pharmacy solutions that are highly accurate and efficient. Thereby, improving patient safety and providing you freedom!

And did we mention...there is NO additional charges for these services and shipping is FREE!

We invite you to explore our level of service that allows you to provide better care while putting hours back in your week to better care your clients. Visit our website or give us a call!

Cover Art by Mike Weber

The LADD community has never been short on talent or creativity. In fact, many LADD artists have made a name for themselves through regional art fairs, gallery shows, Visionaries and Voices and other programs. The OPRA 2022 Spring Conference magazine's front cover is inspired from Mike Weber's artwork. Mark is provided services by LADD Inc. in Cincinnati, OH (www.laddinc.org). This piece of art was originally submitted for OPRA's 2020 Spring Conference that was canceled due to COVID. OPRA is thrilled to finally be sharing it with you now!

2022 SPRING CONFERENCE

Financial and estate planning can be challenging...

...particularly for families that have loved ones with disabilities who receive governmental assistance, such as Medicaid or Supplemental Security Income (SSI). Often families are told to disinherit the individual in order to protect his or her public benefits.

The Disability Foundation offers an alternative to disinheritance through two pooled trusts available only to disabled residents of Ohio. These trusts allow individuals with disabilities to buy the things they want and need, without worrying that their purchases might cause them to lose their government benefits.

**Learn how we can assist your firm in setting up
a Special Needs Trust.**

CLI is looking for new opportunities to learn, share, and partner. We're willing to work cooperatively on a barter system or actual cash, which we've found to be uniquely useful.

CLI is a non-profit business headquartered in Norwalk, Ohio. Our mission statement is threefold: to increase the earnings, status & quality of life of people with DD-- to increase the earnings, status & quality of life of people who provide direct care-- and to increase the community resources available to all of us in our local communities.

CLI has developed a unique set of practices and operational structures that have been effective in retaining and remunerating quality staff around meaningful integrated client outcomes.

Our templates can be easily customized by other providers, including partitioning client services fully away from business to business services, a full curriculum of vocational and non-vocational, community integrated programs developed by CLI's licensed Occupational Therapist, and renovation projects that cost-effectively transform blighted commercial properties into fully wheelchair accessible spaces that are used both for our programs and consistently rented out to the larger community at market rates.

If you are interested in collaborating with us, please email John@CLIsupports.com.
