

## Associate Member Benefits

### *Organizations that support Providers enjoy these benefits of Associate Membership.*

#### **Captivate Your Audience**

As an Associate Member, OPRA's Provider Members – those organizations directly serving individuals with developmental disabilities – see your organization in a new light: in addition to the products and services you offer, *providers recognize you as an ally* in achieving their objectives – from saving money and streamlining their own businesses, to finding more effective and personalized ways to serve and care for individuals with DD.

#### **Save Money**

OPRA Members receive *unlimited, discounted attendee registrations* to a wealth of happenings from the Events department, including conferences, trainings, and other professional-development gatherings. Additionally, products and services that OPRA offers at highly-competitive prices are further discounted for the Association's Members. For more information on how to become a premier sponsor or exhibitor at member pricing, please contact Melissa Fannon, Events Manager at [mfannon@opra.org](mailto:mfannon@opra.org).

#### **Save Customers' Money**

To help reduce costs and improve Provider Members' bottom lines, OPRA has developed the **Vendor Partner Program**, which includes participants from DD-industry and other professional organizations. Take full advantage of your Associate Membership, and beat a direct path to OPRA's Provider Members by participating. For more information on how to join, please contact Melissa Fannon at [mfannon@opra.org](mailto:mfannon@opra.org).

#### **Find New Talent**

OPRA's online **Job Bank** provides a way for OPRA Members to post any and all job openings within their organizations, free of charge.

#### **Be Informed. Share Your Solutions. Engage Your Business.**

As an OPRA Member, your organization can participate in various advertising opportunities. You will also have access to a monthly "partnership" meeting with the OPRA Team and members. These conduits provide you the opportunity to network, share ideas, experiences, and knowledge, and to advance the common mission.
