Claims Workflow for DODD

Claims are submitted to DODD via the eMBS system

Claims pass authorization checks

→ **Yes**
→ **No** → Enter on error report and no longer move forward

Yes: Does the claim require EVV

→ **Yes**
→ **No** → Continue on to submit to Medicaid/Fl

Yes: Does the claim have the required EVV units logged

→ **Yes** → Move to bill file to submit to Medicaid/Fl
→ **No:** Does the Claim Have any EVV logged units

→ **Yes** → It gets error 67 and is displayed on the Error Detail and EVV report
→ **No** → It gets error 66 and is displayed on the Error Detail and EVV report

Reports are found in the eMBS system and you have to have access to eMBS to view them
